# The East Side of Buffalo is a resilient community of perseverance and beauty.

One of the most culturally storied parts of the city, it hosts many significant events such as the Juneteenth celebration, Pappy Martin Masten Jazz Festival, Gospel Fest, and Pine Grill Reunion in Martin Luther King, Jr. Park, part of the historic Olmsted Park System, and home to the historic Michigan Street African American Heritage Corridor, the African American Cultural Center, Torn Space Theater, and the Buffalo Museum of Science. The East Side is also the proud destination of expansive urban renewal projects, such as the Northland Corridor, Buffalo Central Terminal, and Broadway Market. In the spirit of hope and healing, East Side Garden Walk and its good neighbors extend a warm invitation to tour the natural living world surrounding us all.

**Look for these signs of great gardens and friendly people.**

If you see a sign out before 10am, or after 3pm, you're still welcome!
